Miscellaneous Letter

The reply filed on 4/27/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant was required to elect a single disclosed species. Applicant has instead elected a set of species. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The examiner respectfully points out that applicant is not restricted to choosing an elected species from the set of compounds where $R^5 = COOR^7$ or $(PO(OR^{10})_2$. The two sets of compounds described when R^5 has the above definitions, as was outlined in the Restriction Requirement, was simply used as the basis for a proper election of species requirement. Applicant may elect **any single species** falling within applicant's Markush group as the elected species used to begin prosecution.
